In that the City of Casa Grande is purposing to adopt the new International Codes in the near future and as provided for in the current 1994 Uniform Administrative Code, Section 105 – Alternate Materials, Methods of Design and Methods of Construction, we request alternate means and methods of construction for the above referenced plan, to be designed and reviewed under the following:

2000 International Residential Code

We also understand that when the City of Casa Grande adopts these new codes our plan approval will be subject to any and all amendments as adopted by the City.
