SECTION D - SURVEYOR, ENGINEER, OR ARCHITECT CERTIFICATION (CONTINUED)

Copy both sides of this Elevation Certificate for (1) community official, (2) insurance agent/company, and (3) building owner.

Comments Subject property is located in zone A and no Base Flood Elevation has been determined by either FEMA, Pinal County, or the community of Casa Grande, however 2 pumps were installed by the City of Casa Grande with the intent of limiting exposure to flooding in the area. I spoke with the city enginneer and he said that no flooding has been recorded for this area since the pumps have been installed. He estimated that the pumps were installed sometime in the mid 1990's. Lowest equipment is the electrical cabinet located at the southeast corner of the building. Please note that the elevation of the electric pad is 1404.51
