Chairitable Fundraiser for Casa Grande Arts & Humanities Commission

The Casa Grande Arts and Humanities Commission accept the responsibility for expanding experiences with visual arts in public places and other forms of cultural enrichment. The Commission strives to continue the success of enhancing the beauty of Casa Grande through the arts, and to fund visual and performing art that raises citizen's cultural awareness and fosters an appreciation of the diverse cultures found throughout the community of Casa Grande.

In an effort to raise funds to continue expanding art, the Casa Grande Arts & Humanities Commission is seeking Artists interested in donating their time to the Commission's Chairitable Fundraiser. The "Chairitable" fundraiser is an opportunity for Pinal County Artists to transform ordinary chairs and tables into art to help benefit arts education in Casa Grande. The proceeds will be used to continue funding art projects through the City of Casa Grande.

Eligibility:

Artist cleans the chairs and/or tables and turns them into functional art through any preferred medium. (Please note, the chairs and tables should still be functional as chairs and tables.)

When an item is sold, 15% of the selling price is returned to the artist to compensate them for the materials. 5% of the selling price will be donated to the Casa Grande Valley Fine Arts Association (CGVFAA) as compensation through partnership with the fundraiser. 80% of the selling price will go toward the Casa Grande Arts & Humanities Commission (CG AHC) to continue funding art projects through the City of Casa Grande.
