

Casa Grande Fire Department

377 E. Val Vista Blvd.
Casa Grande, AZ 85122
(520) 421 8777

On January 23, 2016, we will be conducting our 9th Annual Smoke Detector Installation Event. This event allows us to install lifesaving smoke detectors and/or batteries in homes where citizens most at risk of dying or being injured in a fire live. The vast majority of deaths that occur in a residential fire are in homes without working smoke detectors.

Through the dedication of volunteers, we are able to focus on neighborhoods where older adults, young children, or other high risk community members live. Since the program began in 2007, we have installed more than 5800 detectors and 2000 batteries in over 2000 of our targeted at risk homes.

This program is not city-funded and all of our revenue comes from the generosity of sponsors like you. Through sponsorship opportunity or the receipt of in-kind and cash donations, we are able to save lives.

Please do not hesitate to contact me if you have any questions. Thank you for your support of our program and life safety in Casa Grande.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Rice". The signature is written in a cursive style with a large initial "B".

Barbara Rice
