3. Substantive Review timeframes are calculated from date of acceptance of application for Substantive Review, or upon receipt of the submittal of revised plans/reports, to the date of issuance of a comprehensive review letter, or final administrative decision.
4. Review of initial submittal limited to determination of compliance with ordinances, codes, regulations or policy relevant to the specific permit or project application. The review comments on the initial submittal may be amended to address code/policy requirements that City staff failed to include in the first comprehensive review document.

# Completeness Review Process for Building and Engineering Permits

# Appeal Process for Denied Applications

The first appeal is to the Building Official. Please make your appeal in writing. You must list all of the items you disagree with. Provide Code Sections, sealed engineering opinions, etc. Provide all details that you think adequately support your position to the Building Official with both the original comments & documents and your rebuttal. The Building Official will review all the information presented and base his decision on the requirements of the adopted codes and City ordinances.

If you disagree with the decision of the Building Official you may appeal his decision to the City's Board of appeals. This board is made up of volunteers from the community. They will hear both positions and may ask questions of either side. The Board cannot waive Code requirements. The Board may make their decision at the meeting. They may also defer their decision to a later date. You will receive the decision of the Board in writing.

If you disagree with the decision of the Board City Administrative Code Section 113.15 allows any person, whether or not a previous party to the appeal, the right to apply to the appropriate court for a writ of Certiorari to correct errors of law. This application for review shall be made in the manner and time required by law following the filing of the decision in the office of the chief administrative officer.
