CGPD Conducts Multi-Agency Speed Enforcement Detail

Casa Grande, AZ – The Casa Grande Police Department conducted a multi-agency speed enforcement detail on February 22nd in an effort to provide a safer route of travel for Casa Grande citizens and the commuting public and to reduce the amount of collisions along Pinal Avenue/Highway 387.

Law enforcement officers from Casa Grande, Pinal County Sheriff's Office, Arizona Department of Public Safety and the City of Maricopa combined enforcement efforts in the 45 mile per hour area. Speeding violators found to be in excess of 57 miles per hour were cited.

The enforcement detail began at 6 a.m. and ended at 10 a.m. Officers issued 62 citations in total. 42 drivers were cited for speeding and 10 were given warnings for speed. The remaining 20 citations were for various (non-speeding) traffic violations.

The Casa Grande Police Department is appreciative of the participating agencies and the City of Casa Grande for providing additional resources to make this detail a success. Additionally, CGPD recognizes the Arizona Governor's Office of Highway Safety for their ongoing support to make Casa Grande a safe driving community.

As always, we remind our citizens to make good decisions when traveling on our roadways. Speeding, distracted or erratic driving, and inattention can lead to serious and/or deadly collisions. Be smart, think ahead and arrive alive.
