CGPD Makes Arrests in Criminal Damage Cases

Casa Grande, AZ – The Casa Grande Police Department has made multiple arrests in the April 21st burglary and vandalism case at Casa Grande Union High School which resulted in significant damage to the school, equipment and vehicles.

Casa Grande Police have been working diligently with the school district to gather evidence and information since the event occurred. Based on this information, Detectives were able to identify two juveniles involved in the incident. They are described as a 15 year old male and a 14 year old male juvenile. Neither of these juveniles attend Union High School.

The same 15 year old male is also the primary suspect along with a separate 14 year old male in the April 13th vandalism spree that occurred in the Ironwood Subdivisions near McMurray and Peart Road where numerous vehicles were damaged in various ways such as slashed tires and broken windows. In the April 13th incidents, the juveniles were identified as shoplifting two knives from Wal-Mart just prior to the criminal damage occurring.

All three of these juveniles have been arrested. The two juveniles related to the school incident were booked into the Pinal County Juvenile Detention Center yesterday. The third juvenile was processed today and multiple charges of burglary and criminal damage are being forwarded to the Pinal County Attorney's Office for review for each of them.

The Casa Grande Police Department would like to acknowledge the Casa Grande Union High School District and the staff of Union High School for their assistance during this investigation. ###
