Police Investigate Shooting at Public Range

Casa Grande, AZ – On November 28th at 5:31 p.m., the Casa Grande Police Department responded to the city's public shooting range, located at 2766 South Isom Road, after receiving a report of a 14 year old girl who was shot.

A Police Department Park Ranger was conducting a security check of the range at this time and immediately responded by providing first aid. Upon their arrival, Officers assisted the Park Ranger until EMS arrived. The 14 year old was flown to a Phoenix area hospital and is expected to recover.

Based on the investigation, Detectives determined 50 year old Howard Reno was attempting to holster his 9mm handgun at a range table and accidentally discharged it. The bullet struck the 14 year old girl, who was sitting approximately 20 feet away, in the upper front torso and exited her back. The child's family was on scene during the incident and Mr. Reno is a family friend.

CGPD Detectives are forwarding the report to the Pinal County Attorney's Office for review.
