Police Investigate Fatal Collision

Casa Grande, AZ – On January 14, 2015 at 8:12 a.m., the Casa Grande Police Department responded to the call of a serious collision on Thornton Road at Peters Road. Upon arrival, Officers discovered a collision scene involving a WalMart semi truck and a 2005 Pontiac Coupe sedan.

Preliminary investigation determined the driver of the Pontiac did not yield at the stop sign resulting in a collision with the semi truck. The sedan contained a total of four occupants. The driver of the sedan, 47 year old Casa Grande resident Leslie Wesley, was found deceased on scene. The other three occupants were all identified as teenage children of the female driver. One of the teenagers, 13 year old Jenna Wesley was also found deceased on scene. The other two teenagers (14 and 17 years of age) were transported to Phoenix area hospitals with serious non-life threatening injuries. Next of kin notification has been made to family members.

Investigators believe heavy fog in the area was a contributing factor in this collision. The area of the collision is adjacent to the entrance of the WalMart Distribution Center. The scene was closed for several hours as our Critical Accident Investigation Team (CAIT) completed their investigation. The driver of the semi was not injured.
