

PUBLIC OPEN HOUSE

INTERSTATE 10/KORTSEN ROAD TRAFFIC INTERCHANGE

The City of Casa Grande is studying a proposal for a new traffic interchange within the study area at right. The purpose of the new traffic interchange would be to address projected increases in traffic resulting from increasing population growth, residential development, and business development including Phoenix Mart. The City's study evaluated the potential impact of this anticipated growth and development, and proposed alternatives to help address the increasing traffic to and from Interstate 10 in the Florence Boulevard corridor and in eastern Casa Grande.

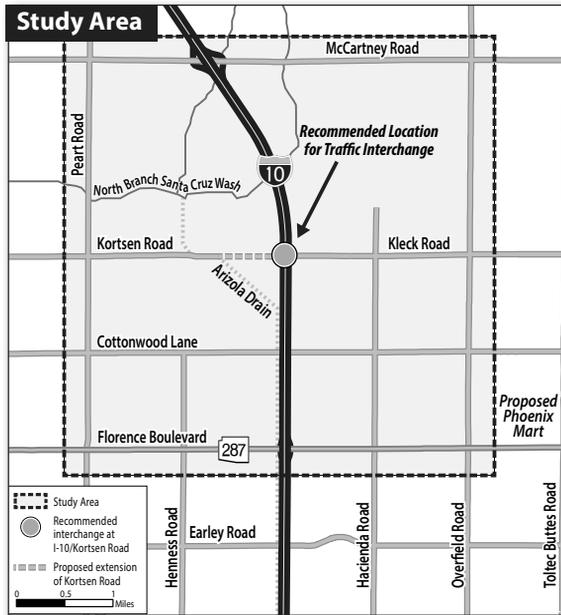

The City of Casa Grande is hosting a **public open house on Thursday, February 12, 2015 from 5:30 pm to 7:00 pm at City Council Chambers, 510 E. Florence Boulevard** to share information and gather your comments on the recommended interchange. You may attend at any time during the open house and a presentation will be conducted at 5:45 pm.

You may submit written comments by February 28 to:

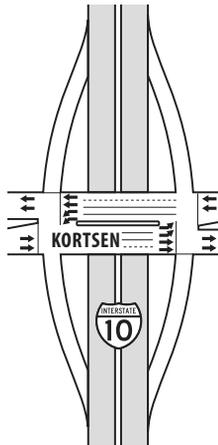

Alexandra Albert
Jacobs Engineering Group Inc.
101 N. 1st Ave., Suite 2600
Phoenix, AZ 85003

or by email to:
alexandra.albert@jacobs.com

Individuals needing special accommodations, such as a language interpreter, are asked to contact Alexandra Albert at 602.530.1697 or alexandra.albert@jacobs.com at least 48 hours in advance of the open house.

Recommended Interchange: Compressed Diamond
